### PROMPT

Type a question or two that you have about this module. If you have no questions, state something that you learned or were reminded about regarding academic essays.

This session was incredibly beneficial for me! I have realized that writing an essay is kind of an art. I always wondered why I had problems in writing a comprehensive essay. After finishing this session, I understood how to write a great piece of paper. I will practice more by following the instructions provided by the teacher and will improve my writing skills soon.
