PROMPT

In this discussion, you have a choice. You can:

1) ask at least one question you have about writing argument essays

OR

2) give an example of a topic that you might study in college that would be good to write an argument essay on. This can be for a general education course or a course in your major. Be sure to tell us which class it is for.

Students must wear school uniform. I got this question as an essay during my high school period.
