<p>PROMPT</p> <p>Paste your paragraph here.</p> <p>It is very surprising that even a hundred years ago people with tertiary education constituted only 7 percent of the whole population of the world. However, these days, the number considerably increased and 17 percent of people in the world have at least undergraduate degree. Considering such an increase of interest in going to colleges, there are several reasons of students deciding to attend universities.</p>	<p>RUBRIC</p> <p>Did the writer use at least 3 sentences?</p> <div><div><input checked="" type="radio"/> 2 points Yes, there are 3 or more sentences in the paragraph.</div><div><input type="radio"/> 0 points No, there are fewer than 3 sentences.</div><div><input type="radio"/> 0 points No, there are fewer than 3 sentences.</div></div> <p>Does the paragraph have a topic sentence that is the writer's own idea?</p> <div><div><input checked="" type="radio"/> 2 points Yes</div><div><input type="radio"/> 0 points No</div></div> <p>Did the writer introduce the quote in some way?</p> <div><div><input checked="" type="radio"/> 2 points Yes</div><div><input type="radio"/> 0 points No</div></div> <p>Does the sentence with the statistic have correct grammar?</p> <div><div><input checked="" type="radio"/> 2 points Yes</div><div><input type="radio"/> 0 points No</div></div> <p>Does the writer have a sentence or two following the quote that analyze the quote in some way?</p> <div><div><input checked="" type="radio"/> 2 points Yes</div><div><input type="radio"/> 0 points No</div></div>
